

# Sidewalk Refresh Project

If you would like to stain your sidewalks....

- Contact **The Home Depot Store** for product in-stock info.
- Product info: Behr Premium Solid Color Concrete Stain Deep Base 830

- Provide the Custom Paint Tint Recipe for Tile Red as shown above (This custom recipe has been colored matched to our previous SW product. SW is having difficulties stocking their product)
- Mix in  $\frac{1}{4}$  bag of Behr Anti-slip Additive at time of tinting
- Follow product application information.

**Our Goal is to provide a consistent, fresh look to St. Armands' sidewalks!**
